Cover image: Visualisation of Mozart's *Symphony No. 41* ("*Jupiter*"), by Nicholas Rougeux

The visualisation should be read clockwise starting from the 12 o'clock position. Each circle represents a note in the score. The size of the circle represents the duration of the note, while the pitch is indicated by the distance from the center of the image. Notes for each instrument are colored differently, the colors having been chosen to reflect the theme and tone of the piece.

This OpenScore Edition is available for dedication.
